I need 1800 to get the final dream nail update to unlock the Path of Pain/White Palace, but wasted the essence of teleporting back to the boss grappling with the nail of dreams (I've done it a lot). I won most if not all of the ghost warriors, and I'm not good enough (yet) to take on any dream bosses. How do you farm the essence? Is there a way other than ghost warriors/dream bosses? Page 2Posted byu / removed 1 year ago 8 comments Dream Wielder charm, provided by Proz after collecting 500 Essence, significantly reduces the time charge Dream Nail and doubles SOUL received from hitting live enemies (from 33 to 66). After using Dream Nail on the corpse of the boss, you will be transported to the realm of dreams, after which you need to perform some platformer to reach the boss room. All rights are reserved. Specifically, this guide will give the basics of using dream nails to collect the essence, the total (known) essence in the game, the place where you collect the essence, and the rewards the Seer gives to achieve a certain amount essence. Vladimir. There's a total of 146 entries in the magazine, and they include The Hollow Knight, Spoiler, and The Hunter Sign, which you get to complete the other 145 entries. Once you acquire Dream Nail, Dream Bosses indicate the Dream Effect over their bodies. He can collect Essence and enter into dreams. I'm right at the end of the game now at 98%, but I miss two mask shards and I read that they are 1% each. This item has been removed from the community because it violates the Steam Community Rules and Content. A total of 2400 is needed for all the in-game rewards and take your favorite fandoms with you and never miss a beat. Whisper Roots are small trees that can be found over the kingdom of Hollownest. increase in health) is considered 1%, not every mask shard. Spirits give dialogue when you interact with them and striking them Dream Nail gives one essence to the spirit. Super happy. Hi, sorry if I just got mixed up because I'm not familiar with game percentages. I beat all three 2nd form dream bosses and all the bosses from the graves (at least there are no more markers on my card) and I still have 1900 essence. After collecting 1800 Essence, Dream Nail may be awake. Once the boss is defeated, or A) the spirit will spawn over the boss corpse in the real world and interacting with the spirit will give dialogue, after which you will be rewarded with essence or B) you will immediately get the essence after being thrown out of the realm of sleep. Your guides are so helpful, so thank you. Specifically, this guide will give the basics of using dream nails to collect the essence, the total (known) essence in the game, the place where you collect the essence, and the rewards the Seer gives to achieve a certain amount essence. And yes, talking to The Show after collecting 2400 essence is 1%. You can sell relics for ... how Progole gets you away from Kingdom, when you acquire Dream Nail, it will hand out rewards when you talk to it after reaching certain amounts of essence. Back to Hollow Knight Grey Prince zote Gray Prince Sot can be found in Brett's basement back in Dirmouth as long as you are rescued by both Brett and zote and defeated by zote at the Colosseum fools. It can be fought up to 10 times, but only gives 300 Essence the first time you beat it. The Grey Prince of Sot doesn't seem to know what he's doing, and is constantly falling. He is still hard to beat as every time he falls he will create a shock wave and he also likes to teleport around the arena before slamming into the ground. The zet has 1200 health for the first battle. You will need to find out what movements create shock waves so that you can time your jumps over them. You can often get in a swipe or two after each shock wave. A quick slash and fragile power charms work will be for this fight. Fragile charms won't break if you lose the dream boss fight. Unsuccessful champion Failed Champion can be found over the arena where you fought the False Knight. After jumping up break the wall to the right and use Dream Nail on the dead larvae. You can use Dream Nail on other maggots to replenish your soul before entering the fight. The unlucky champion is a polished version of the False Knight. Each of his attacks will result in the fall of stones from the roof, but most of his attacks are very similar. When it jumps towards you it gives you a chance to dash under. You will be able to get in a few punches before it turns. Standing in one of the corners can give you a chance to heal, especially if you have a quick focus charm equipped. An unfortunate champion will get knocked over several times, giving you a chance to heal or hit your head more soul. Eventually he will be defeated and crash into the floor. Once it is defeated, you will get 300 Essence. The Lost Keen lost Keen can be found in the same place as the Broken Ship in the Ancient Basin. He has 1,200 health problems and slightly more complex seizures. While fighting the drops of infection will spawn and haunt you. The strategy of defeating the Lost Movie is basically the same as a broken ship. stay on the ground because Lost Keen loves to jump. Use Fast Slash to get in many hits at a time, and desert dives to really do some damage quickly. Killing drops that spawn give you a soul, so you should have no problem using spells during this fight. Several times throughout the fight Lost Kin will get tipped for a short time, giving you a chance to heal, but you should still keep an eye out for any infected drop heading your way. Once lost, you will be rewarded with 400 Essence. The White Defender White Defender has a lot of health, 1600 HP, to be exact. It can be found by a desert dive right under the room to the right of Dung Defender, where it is located The white quarterback has a lot of the same attacks as both Dung Defender, but it is pretty easy to predict, and most attacks can be avoided. Use Fast Slash to hit him several times while he throws manure. Follow him around and get in the napkins as he performs a manure eruption. If you're near him, the manure won't hit you. Once the White Defender has been defeated, you will be rewarded with 300 Essence. The soul of the Tyrant Soul of The Tyrant can be found in the same place as the Soul of the Master. Use Dream Nail on the corpse to start the fight. Soul Tirana has 900 health in the first phase and 350 health in the second. Soul Tyrant's attacks are the same as Soul Master, except that he is a little faster and has more fireballs during his spinning fireball attack. Having Monarch Wings will make it easier to avoid a shock wave from a ground pound attack. The soul of The Tyrant will teleport around the arena making it difficult to catch up. You can only get into one or two attacks at a time, so a quick Slash charm isn't very effective for this battle. During Phase 2 Soul Tyrant will break the floor and land in the arena below. He performs teleportation slams repeatedly until he eventually floats stationary on one side of the room. This is your chance to kill him. Avoid the fireballs and hit it with a goalless scream or nail. Once he has won, you will be rewarded with 300 Essence. Back: Mist Canyon Coming: White Palace Palace
